School Overview

Charleville State School has been serving the community since 1875. We are committed to providing high quality learning programs that cater for the needs of all students through offering a safe, tolerant and disciplined environment within which young people prepare to be active and reflective Australian citizens. Our Prep to Year 6 curriculum uses the Australian Curriculum, and is tailored to the needs of each child. We have a staff of highly dedicated and talented teachers. Teachers are heavily invested in evidence based practices, and use data to inform pedagogical practices to ensure student success. The school has forged many partnerships with local community groups, sporting organisations, businesses, government agencies and Charleville State High School through the CASE (Charleville Alliance of State Education). Students participate in community events such as Anzac Day, NAIDOC, Eisteddfod including choir, small group and individual singing and instrumental music, Charleville Show and local competitions. Our students and staff are very involved in District and Regional Sport Representative programs. There is a high level of community support for our school.

Principal's Foreword

Introduction

School Progress towards its goals in 2017

2017 saw significant gains in student achievement in Reading, especially in the percentage of students reaching regional benchmarks. Our results in NAPLAN continued to show significant long-term improvement in all areas in Year 3 and in Numeracy and Spelling & Punctuation in Year 5. In particular our school showed significant improvement in elevating students into the Upper 2 Bands of Achievement in NAPLAN in Year 3. The successful embedding and refining of our school's Positive Behaviour for Learning Framework (PBL) is an ongoing area of focus.

Future Outlook

Our school priorities for 2018 are;

1. Reading: Embed a whole-school approach to Reading that includes;
 - The Reading 'Big 6',
 - Use of the Gradual Release of Responsibility
 - Differentiation of texts
 - Meaning (Whole text), Syntax (Sentence) and Visual (Word) level knowledge
 - Meaningful links to the Australian Curriculum.
 - Weekly Word Study, Sentence Study and Dictation
2. Improving achievement in English by increasing Assessment Literacy
3. Refining our Positive Behaviour for Learning Framework
4. Enhancing the way we support Students with Disability

Characteristics of the Student Body

Overview

Charleville State School is a co-educational Queensland State Government School. The students in the school are predominantly from the local township and surrounding districts. Significant proportions of students are children of public servants and those employed in the rural and commercial sector. The school has an ICSEA rating of 835 which places it in the 4th percentile nationally. Approximately 45% of the children are of Aboriginal descent; 6% Vietnamese and 5% Maori descent.

Curriculum Delivery

Our Approach to Curriculum Delivery

- We focus on high quality and consistent teaching practice in Reading across the entire school – the Charleville State School Reading Sequence
- Our pedagogical framework is the Gradual Release of Responsibility – Modelled, Shared, Guided and Independent learning
- We use the Australian Curriculum with the support of the C2C resources
- We use Learning Walls and Unit Analysis to enhance Assessment Literacy in the classroom
- We build staff capacity through our whole-school Instructional Coaching Framework
- Our teachers focus on developing teaching and learning programs based on the specific needs of the individual students in the classroom

- PBL provides a framework to teach expected behaviours, and in turn increase engagement for all students. Our students are becoming active members in the school community, with students progressively taking more responsibility and moving towards various leadership roles.

Co-curricular Activities

- We support students to engage in District and Regional representative sports programs
- Sporting Schools
- Camps in Years 5 and 6
- Instrumental Music – Strings, Percussion, Brass, Woodwind
- Weekly Homework Club
- Term 1 & 4 Swimming Program
- Lunchtime 'Clubs' every day offering a range of activities

How Information and Communication Technologies are used to Assist Learning

Students have frequent access to a range of technologies to support their learning including;

- Laptops
- Computer Labs
- Robotics and Coding lessons
- iPads
- Assistive Technologies
- Interactive Whiteboards
- Hovercams

Social Climate

Overview

PBL provides a framework to teach students expected social behaviours. This program supports proactive strategies to respond to bullying. Charleville State School has a strong staff network that ensures that all students feel safe and secure, and can access an adult to talk about any issues they may have. Parents and students have reported very high levels of satisfaction with the school, however there is still work to be done in terms of behaviour. PBL continues to improve outcomes in this area, and recent data shows that this approach is working towards addressing these concerns.

Parent and community engagement

Parents are all encouraged to be a part of the education of their children through:

- Consultation processes regarding decision making processes
- Community partnership meetings
- Inclusive Education Community forums
- P and C Association
- Reading in Classes
- Breakfast club support
- Fundraising activities
- P&C Rodeo
- Homework Club

Respectful relationships programs

Through PBL the school has developed and implemented a program that focus on appropriate, respectful and healthy relationships. The school has also included presentations from various community members for students so that children develop a deeper understanding of respectful relationships and what to do when they feel that they, or anyone else, is unsafe.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

| SCHOOL DISCIPLINARY ABSENCES | | | |
|----------------------------------|------|------|------|
| Type | 2015 | 2016 | 2017 |
| Short Suspensions – 1 to 10 days | 70 | 70 | 60 |
| Long Suspensions – 11 to 20 days | 1 | 0 | 3 |
| Exclusions | 0 | 0 | 0 |
| Cancellations of Enrolment | 0 | 0 | 0 |

Environmental Footprint

Reducing the school's environmental footprint

Charleville State School Continues to look for ways to minimise our environmental footprint. An increased technology fleet has lowered paper usage, but has increased electricity consumption. We continue to look for ways to improve this aspect of school operations.

| ENVIRONMENTAL FOOTPRINT INDICATORS | | |
|------------------------------------|-----------------|----------|
| Years | Electricity kWh | Water kL |
| 2014-2015 | 148,255 | |
| 2015-2016 | | |
| 2016-2017 | | |

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

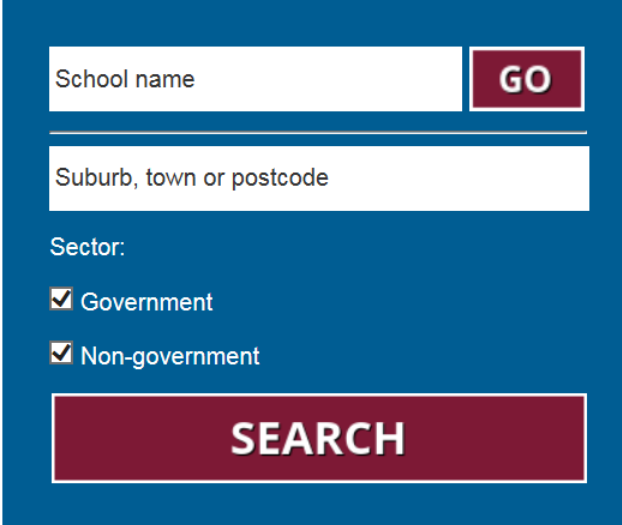

Charleville State School uses an external system to monitor student attendance, including an SMS system to alert parents of unexplained absences. This system also allows parents to message the school regarding absences. Rolls are marked twice daily by staff. All staff are aware of the importance of attendance in relation to achievement. Charleville State School takes a proactive approach with attendance, by rewarding and acknowledging high attendance.
